## S.KO COOL SMART Box Semi-trailer

Overall length (LA)	approx. 13,600 mm	Axle unit load (permissible)	27,000 kg
Internal body length (L)	approx. 13,410 mm	Semi-trailer load (permissible)	15,000 kg
Internal body width (B)	approx. 2,460 mm	Empty weight, complete	+/- 3% 7,960 kg
Internal body height (LH)	approx. 2,650 mm	Trailer coupling height, unloaded (S)	approx. 1,140 mm
Usable body length (LN)	approx. 13,315 mm	Trailer coupling height, loaded (S)	approx. 1,115 mm
Usable body height	approx. 2,650 mm	External overall length	approx. 13,550 mm
Overall height, unloaded (HA)	approx. 4,009 mm	Ride height	410 mm
Overall height at front, unloaded	approx. 4,009 mm	Body width (BA)	Overall approx. 2,600 mm
Overall height at rear, unloaded	approx. 4,008 mm	Wheelbase (R)	7,600 mm
Rear loading height, unloaded (H)	approx. 1,279 mm	Rear door height, internal	approx. 2,640 mm
Tyres	385/65 R22.5"	Rear door width, internal	approx. 2,460 mm
Total weight (permissible)	39,000 kg	Axle spacing (W)	1,310 mm
Payload (permissible)	31,040 kg	Front overhang (F)	1,600 mm

## S.KO COOL SMART EXECUTIVE PLUS

EXECUTIVE PLUS Package for the S.KO COOL SMART Reefer Semi-trailer

### The Benefits at a Glance:

- S.CU\* semi-trailer cooling unit from Schmitz Cargobull, optionally also for MultiTemp
- TrailerConnect® sensors: tank sensor with LED display, coupling sensor, tyre pressure monitoring system and door contact switch
- Compression roller bumper
- Full Service trailer
- Full Service tyres
- Full Service refrigeration unit\*
- Financing\*\*
- Higher residual value when the semi-trailer is returned to the Cargobull Trailer Store
- Special equipment included as standard, in conjunction with Schmitz Cargobull's complete service portfolio, makes the S.KO.COOL with the EXECUTIVE PLUS package the perfect transport solution to meet your needs

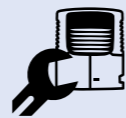

\* Included in the EXECUTIVE package as basic equipment for the S.CU transport refrigeration unit. \*\* Optional.

**Trailer:** the S.KO COOL SMART is fitted with TrailerConnect® telematics as standard for monitoring the trailer and refrigeration unit. Sturdy, self-supporting body made of FERROPLAST® with an excellent K-value. Increased efficiency thanks to MultiTemp and double-deck equipment. Market-leading box body concept with low TCO (total cost of ownership).

**Refrigeration unit:** our S.CU transport refrigeration unit stands out on account of its impressive refrigeration performance, accurate temperature management, efficient operation and low costs. Developed in-house by Schmitz Cargobull, it includes high-quality components and specially developed Schmitz Cargobull software.

**Full Service refrigeration unit:** pro-active monitoring, coordination of workshop appointments, maintenance, inspections, replacement of all wearing parts. Covers service and maintenance costs. The refrigeration unit's modular design speeds up the repair and maintenance process. Includes a Europe-wide breakdown service with payment guarantee and processing via Schmitz Cargobull.

**Full Service trailer:** covers service and maintenance costs, replacement of all wearing parts at over 1,700 Service Partners, as well as Europe-wide breakdown cover with payment guarantee and handling by Schmitz Cargobull. The contract includes unlimited mileage (km).

**Full Service tyres:** new premium brand tyres, tailored to your needs, whether local or long-distance transport, with more than 2,500 Service Partners in Europe. Europe-wide breakdown service with payment guarantee and handling by Schmitz Cargobull. The EXECUTIVE package covers all replacement costs for worn tyres and punctures.

**Financing\*:** competitive monthly rates, inclusive of all servicing costs to maximise trailer's residual value. Individual contracts with made-to-measure terms on request.

## Optimum Availability

### Optimised Complete Solution for the S.KO COOL SMART

The EXECUTIVE PLUS package for the S.KO COOL SMART combines Schmitz Cargobull's S.CU transport refrigeration unit with a high-quality equipment package. This includes comprising roller bumpers, tyre pressure monitoring, temperature recorder, fuel tank, coupling and door opening sensors with comprehensive Full Service for all components, plus pro-active monitoring. This universal transport solution improves efficiency, thanks to a lower TCO with full cost control, and guarantees improved availability and better retained value throughout the vehicle's entire service life.

**Compression roller bumpers (DRP)** are included in the EXECUTIVE PLUS equipment package and protect the rear when approaching ramps.

**Schmitz Cargobull premium tyres:** complete tyre management for optimising mileage (km), maintenance and costs. Perfectly designed to meet the needs of the fleet.

**Tyre pressure monitoring system** decreases tyre wear, lowers fuel costs and reduces the risk of breakdowns.

**Full Service trailer, tyres and refrigeration unit:** highest-quality service, improved value retention, reliable cost planning and reduced administrative overheads.

**Transparent information:** intelligent networking of the sensors and efficient control of the S.CU refrigeration unit through TrailerConnect with two-way communication.

**Tailored financing solutions:** from industry experts, irrespective of the company's bank, including GAP cover.
